

Fundamental Small Cap Portfolio

Factsheet

31st July 2019

INVESTMENT OBJECTIVE

Fundamental Asset Management offers a dedicated focused portfolio, investing in small and mid-cap quoted companies including those quoted on the junior market of the London Stock Exchange, AiM.

Fundamental's rigorous in-house investment research process profits from the plentiful mispricing opportunities within the smaller end of the UK stock market.

ABOUT FUNDAMENTAL

Fundamental Asset Management Limited, established in March 2004 by Christopher Boxall and Stephen Drabwell, is a leading specialist investment management company focussing on the UK small cap sector, particularly AiM, the world's leading international growth market.

The investment management team at Fundamental have established an outstanding reputation and track record in managing small and mid-cap equity portfolios and providing bespoke investment solutions for private clients, trusts and institutions.

IMPORTANT INFORMATION

This factsheet is for illustration purposes only. The performance shown in this factsheet is based on a real client portfolio managed since 1st March 2007. Fundamental Asset Management Limited researches a material number of AIM stocks for the IHT Planning Portfolio Service. Our preferred stocks change as news flow and events impact on the companies and accordingly the composition of individual client portfolios may materially differ from another.

Issued by Fundamental Asset Management Limited. Fundamental Asset Management Ltd is Authorised and Regulated by the Financial Conduct Authority. This is not an offer to sell or a solicitation of an offer to purchase shares. You should not invest in our Small Cap Opportunity portfolio service unless you have read our Terms and Conditions, are aware of the risks involved, are prepared to hold for the long term and can risk making a loss. Smaller quoted companies can be subject to certain specific risks not associated with larger, more mature companies. The information and opinions contained in this document are for background purposes only and do not purport to be full or complete. Past performance is not necessarily a guide to future performance as the price of shares can fall as well as rise and you may not get back all the money you invested. No reliance may be placed for any purpose on the information or opinions contained in this document of their accuracy or completeness.
